Moving on — Moving Where?

It's so easy to make pat statements about how fast we grow up, how we meet friends only to see them graduate, maybe never to see them again, and it's easy to criticize all this as sentimental. But the yearbook is a place for sentimentality. It is a place for memories — memories we can relive for years to come. Sure we're moving on now, but a part of us will always be here, remember this place, these friends, and be a little sad . . .

But we probably won't be sad until after we leave. Until then, we are too busy moving on through the experiences which will one day make those memories. Most of these experiences, as you will see in this book, are happy ones which we share with our friends.

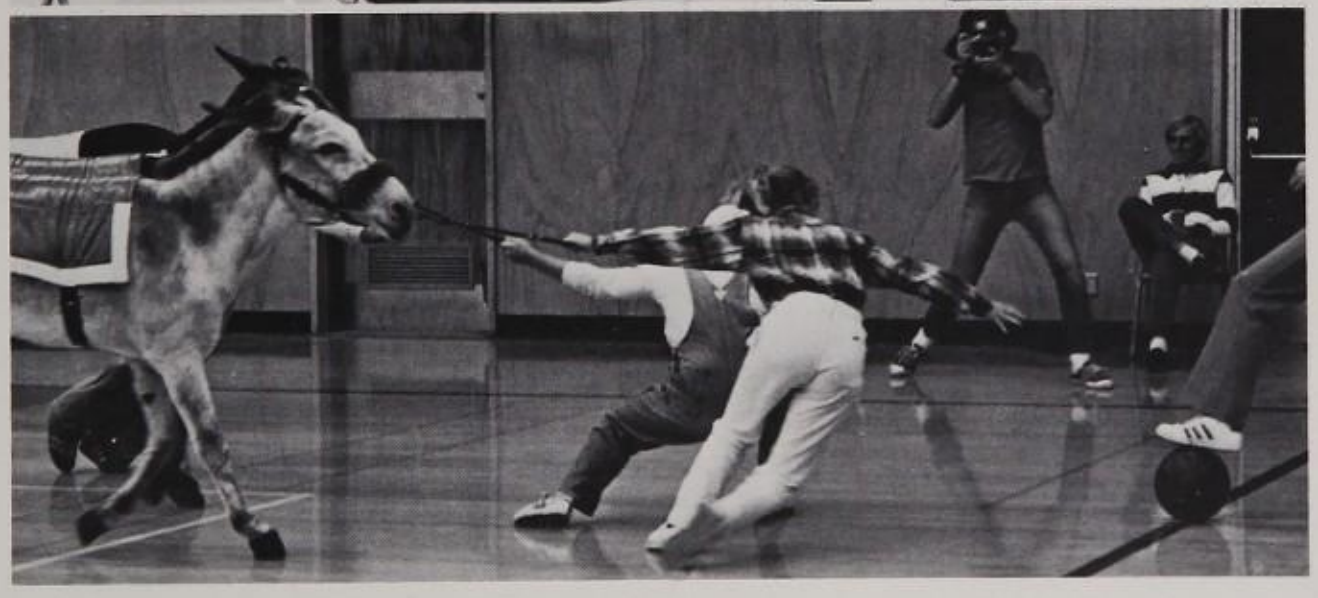
ACTIVITIES



First Days

As time passes with each day we grow older and wiser. We seek to find ourselves and our friends. As we grow older, time will move on as we do; as quickly or as slowly.

Karen Driscoll

1. This last minute test could result in poindexter's first 'B'. 2. "So that's what I missed all summer." 3. "You bore me!" 4. Although students were back in the classroom their thoughts were still on the beach. 5. "This class is the pits."

Halloween Highlights

The participation in the Halloween Dress-up Day was tremendous. There was everything from Darth Vader to Raggedy Ann and Andy, to the spookiest spooks. Faculty as well as students got into the Halloween spirit.

1. This is your substitute for today, class. 2. I'm going to get you. 3. Ta dah! The Flasher. 4. Okay, stick'em up. 5. The queen and her court. 6. Darth Vader takes time to recharge on "cafeteria food"?

As Time

This year's homecoming festivities were sparked off by a Baby Day. Most students enjoyed returning to their youth for the day.

There were the usual activities such as the near beer contest and the push-a-bug, both won by the seniors and the stuff-a-bug won by the Sophomore Class along with a new relay with class representatives won by the senior class.

Earlier in the week the sixteen semi-finalists for homecoming queen were announced as follows: Dana Anderton, Cathi Casler, Lynne Cheatum, Tami Fields, Debbie Gonzales, Robin Kindt, Sandy Lacebal, Carolyn Martin, Pam Mason, Lynn McClure, Sam Mitchell, MyMy O'Gorman, Renee Paul, Marissa Sisca, DeeDee Thomlinson and Melissa Von Musser.

1. Charlie's Angels 2. The sophomore class shows their spirit by stuffing the bug. By this strategy, they won. 3. Dana and Allison sprint to the finish line, coming in third in the class representative relay. 4. The cheerleaders raised the roof during the Homecoming Parade.

San Clemente High School students were so tired from the abundance of classwork this year, that whenever they had any free time they would just mold getting psyched up for their next class. Here are a few shots of the mold on campus.

Again the wrestling team sponsored the amazing and extremely talented Flip Reade and his wife Barbie. He is not only a mime, but also an athlete, comedian and an expert in martial arts. Although Flip had only one performance at San Clemente this year, it was the best and most exciting yet. Flip Reade ended his performance with his funniest and most dynamic skit, Charles Atlas Meets His Match in which a guy with a talented stomach took away Charles Atlas' girlfriend.

1. Behind stage Flip Reade inhales his stomach. 2. Flip admires his lustful doll. 3. Barbie marvels at the physique of Charles Atlas.

The cheerleaders did a great job this year. Raising student spirit at the Pep Assemblies really helped San Clemente overpower other schools in sports. The cheerleaders put on skits, performed stunts and led cheers to raise spirit.

1. The juniors show that they really can yell (sometimes). 2. The sophomores tried extremely hard to win the spirit stick. 3. The seniors were filled with spirit at the beginning of the year, but as the months past, senioritis set in. 4. The cheerleaders succeeded at putting down short people in one of their skits.

Sadie

The Sophomore Class sponsored the first annual Sadie Hawkins' Day Dance this year. The students participated by dressing in wacky hillbilly attire. There was an apple cider drinking contest along with a general goof-off day. Not really an unusual day except for the cider.

Soph Class President, Debbie Kaznelson takes responsibility for Sadie Hawkins' Day.

The Sadie Hawkins dance was an excellant way to bring Sadie Hawkins week to a close. The dance was held in the cafeteria which was decorated accordingly. Daisy Mae, Sam Mitchell and Lil Abner, her date, were crowned queen and king of the dance for being the best dressed couple. Students enjoyed turning hillbilly for the week.

Volleyball Tournament

The volleyball tournament was a great idea. It kept something going on at lunch for not only the players, but also the observers. Amateurs as well as varsity volleyball players entered the tournament. The tournament went on for a week slowly eliminating the unlucky and not so good players. The final winning team consisted of Larry Mear, Steve McAskin and Julie Schaar. The second place team (who put up a very good fight for first) was Mr. Brian Scherbart, Elisa Tobia, and Brian White. The first place team received trophies for its efforts while the second place team received ribbons.

1

The Kiwanis Bowl is an academic contest between eight schools of Southern California. It is put on by the Key Club and held at SCHS annually. Each school has a panel of five smart students who are asked questions in various catagories including sports, history, physics, math, music, fairy tales, etc. This year SC was announced the winners, but due to an unclear answer by SC there was a rematch in which Santa Ana defeated San Clemente by two points.

1. "Let the match begin." 2. Chris Russick suprised many with his wittiness. 3. One competitor came in disguise. 4. SC hoping that their competitors would answer the question wrong. 5. The breaks provided a time for counsel as well as relief.

Dance

The Dance Production was too late in the year to get any photographs of the production itself, but we did get a few selected shots of the hours of work put into the making of the production. The girls worked very hard this year at making the production a success. Since the interest in dancing has grown this last year, the enrollment in Dance Production is the greatest ever, although they are lacking men folk.

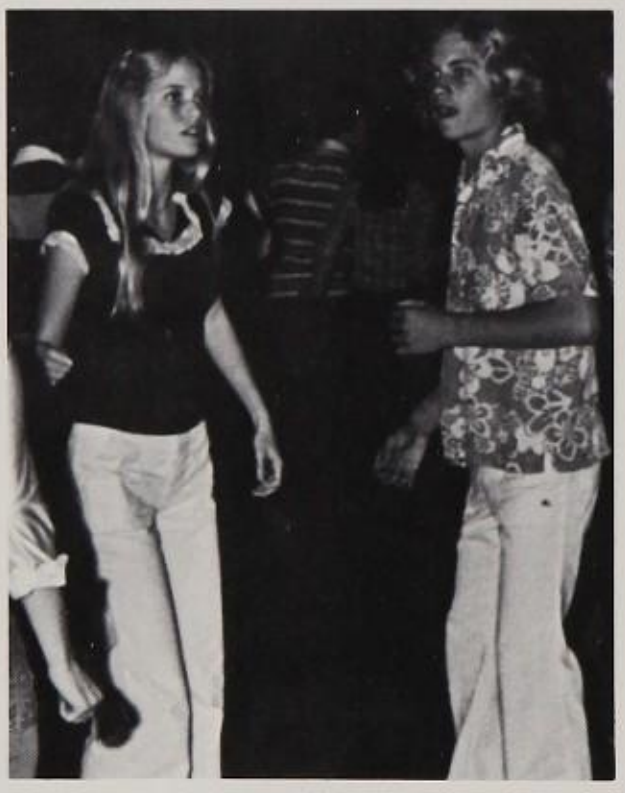
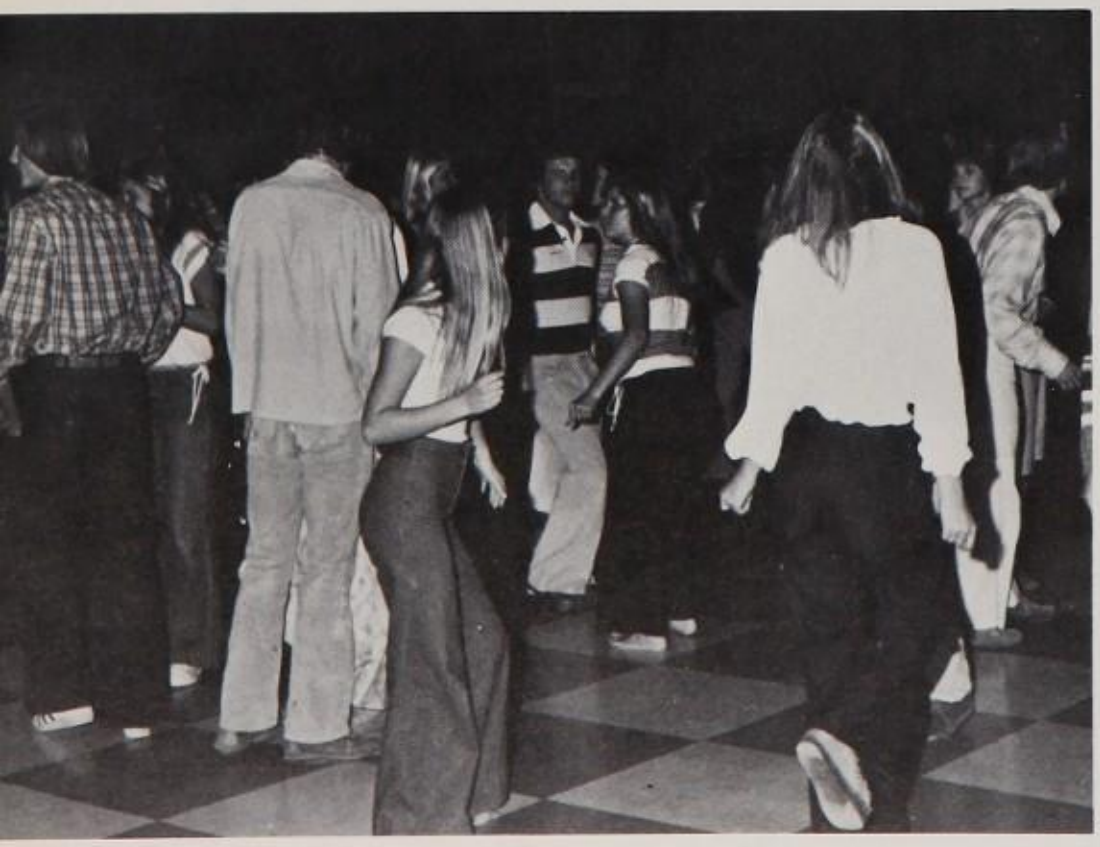
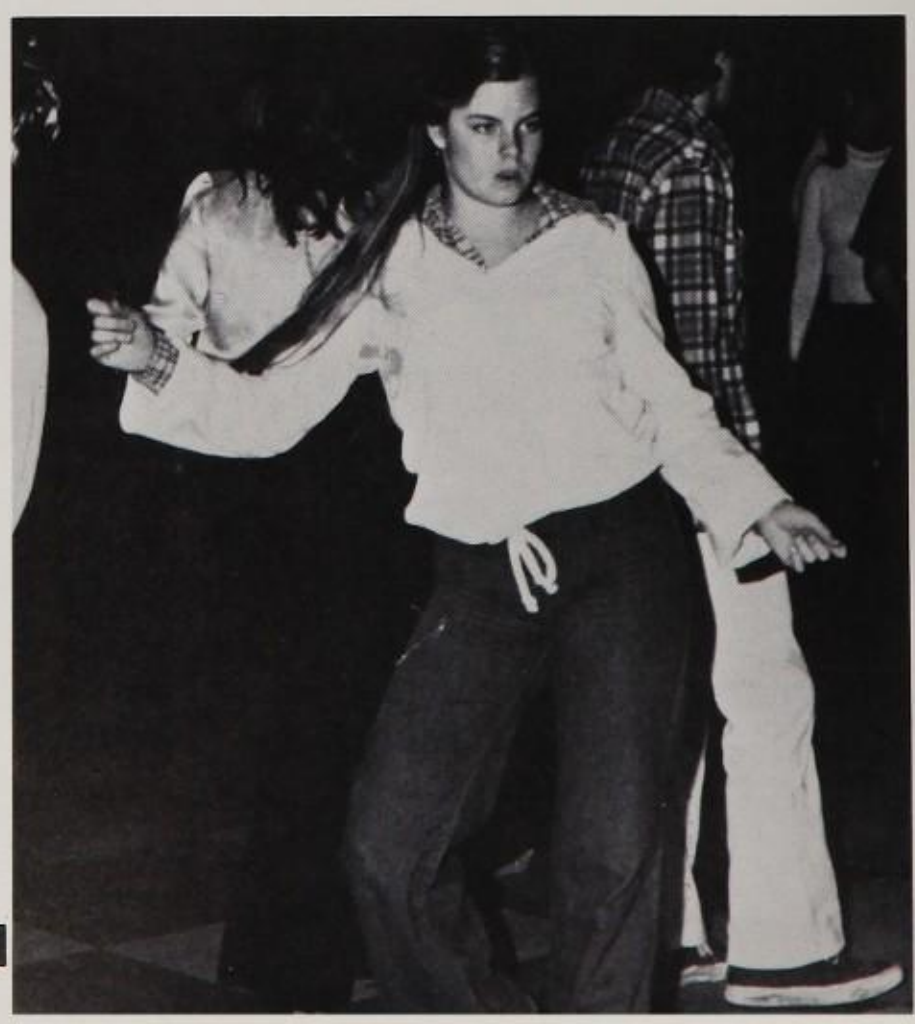
Disco Fever

There were a number of dances put on this year to help get rid of our disco fever. We had some excellent bands along with some duds. Overall it was a good year for dances.

1. Getting ready for the big night. 2. Everybody Freeze 3. Debbie and Bob practice the backward bump. 4. The Duck Walk. 5. Come on and boogie children.







Moving On

We grow with each passing day,
more and more we change.
We move from one adventure
to the next, hoping that the
next will work out better.
But now it is time to move on,
to change our styles once more.
But it isn't the end, it is just
the beginning of a new day
and experiences. – Karen Driscoll

This year's Water Polo Team showcased the first four year squad at SCHS. The graduation of nine seniors will certainly be felt next year. The Varsity squad, led by all-league selectees DAVE BORA, MITCH KAHN, DAN LINEBACK, and MIKE GIBBS, won several exciting games including one against Monte Vista (A CIF 3A finalist) 16-15 in overtime, and against El Toro (9-8 after five overtime periods) for our lone league win.

The Frosh-Soph Team sported an 11-1 record. Their only defeat came at the hands of Mission Viejo. The talent level among the Frosh-Soph is high and they are eager to fill the shoes (or suits) of our graduating seniors.

Soccer

Midseason found the 1978 Varsity soccer team struggling to find their identity.

The defending league champs have been beset by numerous changes in personnel. Veterans PACO SANCHEZ, RAUL FLORES, and ALPHONZO ALEXANDRA moved to Mexico and speedster JERRY MORA broke some ribs in holiday tournament action. Excellent talent in ANTONIO LUNA, (Mexico), CURT PORTA, (Guatamala), and SEAN HUNTER, (England), joined the club at various times during the season. The fluctuating lineups caused inconsistant play, ranging from an imposing 5-3 victory over Dana Hills to a 2-1 defeat by Corona Del Mar. "This season's kickers have shown good fire power on the forward line, a persistant midfield, and at times a formidable defense." said coach Dan Burch.

Members of the Varsity team are; Vince Brennan, Steve Cox, Craig Evans, George Garcia, Rick Garcia, Dave Gilger, Rich Hilger, Sean Hunter, Hector Llamas, Antonio Luna, Jim McCaffrey, Jerry Mora, Curt Porter, Doug Sanchez, Chris Zuleeg.

Girls' Basketball

The S.C. Girls' Basketball team began the year with little experience but as the season went on they showed a great deal of improvement. They won 3 of their last 4 games. The strong players were RITA URIBE, MARY JOHNSON, BARB CHAKOS, DENISE ROSKAMP, and JENNY KING. Capable reserves were DEIDRA DAVIDSON, DIANE EADS, and FRANCES CHACON.

Girls

Varsity

The South Coast League again proved to be the strongest in the States.

A very young Triton team competed this year with only 3 seniors on the squad. The high point of the season was 4th place finish in the Carlsbad Tournament in which San Clemente competed against San Diego County's strongest teams. Coach Iverson was very happy with individual improvement and feels that this year's junior varsity team had the best group of players he has ever seen at S.C.H.S. in his five years of coaching women's volleyball.

Varsity Wrestling

This year the San Clemente Wrestling Team was one of the best in our history. The team finished fourth place in league mostly because of our many injuries suffered by key men. JOHN EDWARDS, ADAM MENDOZA, two outstanding wrestlers dislocated their shoulders. JEFF COPTHRORNE wrenched his neck and JOHN FLEMING tore his shoulder and so did BOB WATSON. The J.V. Frosh teams did well under the direction of Coach Mike Conlon. Look for JOHN SCHROEDER, DUANE FORD, KEVIN MCGOWAN, and RICK CORNWELL to help out the varsity next near. "Call for Medic!" is the team motto.

Badminton

Coach Owen's Girls' Badminton is having a fair year competing in the Orange County League. Leading varsity is MARY JO LUND and ALISON McDONALD. Strong singles competitor are CINDY EDWARDS, JULIE SLEVCOVE and TRACY BUCAGLIO. STEPHANIE SNYDER and MARILYN BORING are #1 in J.V. We must keep in mind though that this is the toughest league in Orange County.

This year's golf team is having an excellent season with JIM McCAFFERY leading the Varsity. The Junior Varsity's record is 11-1 and the varsity is 10-2 with losses only to Corona del Mar and Dana Hills. The coach thinks both J.V. and Varsity will go a long way in the league and C.I.F.

Varsity Tennis

San Clemente High School's Varsity Tennis Team, second in the league only to nationally-ranked Corona del Mar, had a fine season.

Seniors TIM DOWNEY, TOM MORRIS and BLAKE DAVIS provided team leadership, as well as outstanding season records. SEAN HUNTER was outstanding in doubles, as were ERIC PETERSON and JIM STEPHENS. Freshman BRIAN BASS started in singles and won 80% of his matches.

Girls' Softball

Although this year was supposed to be one of rebuilding for the defending South Coast League Champions, the Triton Softball Team has started its season with a 3-0 League record, good for first place. Anchored by the strong pitching and batting of RITA URIBE, the Triton Varsity features many strong hitters who will be returning to next year's team. The JV's, 1-2 in league at present, feature the consistent pitching of VELLEY ADAMS as well as a high-powered offensive team.

The Varsity is looking forward to a strong year with returning varsity players, MEAR, ANDERSON, MCASKIN, RIVADENEYRA, and DITTO. The team plays well in heavy competition such as the Corona del Mar match during which the team won after five games. For the first time in the school's history, they won the Orange County Tournament. They were also number one ranked by the coach's poll. They placed third in the Palisades Tournament over some of C.I.F.'s strongest teams.

The defending league champs are looking forward to a good year with BOB HOOVER as their new coach. Varsity coach JACK IVERSON is pleased with the team and sees many prospects for the 78-79 team. The J.V. team is heading for their first undefeated season in the record of the school. Their record as of now is 10-0 in league.

Boys' Swimming

The Varsity swimmers had a highly successful 78 season. Compiling a record of 9-2 in dual meets, winning the championships of the Whitmont Invitational, and shooting for second place behind Mission Viejo in the League Championship as well as South Coast League standings, made for a successful finale to the high school careers of eight seniors. Contributing outstanding swimmers all season for the Tritons were seniors MITCH KAHN, DAN LINEBACK, BILL HUMPHREYS, KEVIN HASKINS, DON MURPHY, JUAN MARTINEZ, MARLOW PETERSON, DAVE BORA, sophomore SCOTT HUNT, and freshman DALE PUITT. As the season came to a close and press time drew near, there were swimmers and two relays close to the C.I.F. Championship.

Several school records fell this year as the swimmers reached their peak. Varsity swimmer MITCH KAHN broke the 200 and 500 free records. MARLOW PETERSON and DAVE BORA broke the 100 breast stroke record, and both the medley and free relay records were rewritten. The Frosh-Soph 400 free relay established a new mark as well as SCOTT HUNT came through in the 50 and 100 freestyles, and DALE PUITT in the 100 butterfly.

The Frosh-Soph swimmers sported a fine 9-2 record also, and battled with Costa Mesa for second place in League. They will offer many "cave-man" talents to the varsity team next year.

San Clemente's girls' gymnastics team is relatively inexperienced with very few returning team members. However they are gaining valuable experience for an even stronger team next year. The two strongest performers on the team, CAROLYN WILLIAMS (Jr.) and LAURA FINLEY (Jr.) have been scoring very high on floor exercise. Carolyn earned a 1st place on floor with a score of 8.2 in the meet against El Toro and a 2nd place with score of 8.0 against Costa Mesa. Laura competed as an all-around gymnast (doing all four events — vault, bars, beam, floor) in the Costa Mesa meet and received a 2nd place award. She also earned a 1st place in vaulting against El Toro with an 8.3.

Thalassa Staff

This year the Thalasa staff has tried to put a unique touch on the 1977-78 edition. One of the things we set out to accomplish was to capture the events of the year, and to portray SCHS as it really was in 1978. We have tried to accomplish this both photographically and aesthetically. We have had many problems and obstacles along the way; however, we hope that the finished product speaks for itself and you will receive many years of ejoyable memories.

This year's Triton staff graduated from robbing yearbook supplies to writing some really hot stuff in the school newspaper. A January article by Steve Cain and Chris Russick about proposed house construction across from the high school raised questions of political importance in San Clemente. Bruce Carter raised the banner of ecology in a bid to spare the hills and canyons along Avenida Pico. If this keeps up, we will be glad to *give* supplies to the newspaper folks so they won't have to wait until our cabinet is left unlocked.

Welcome New Students Club

The Welcome New Students committee began this year to welcome incoming students to San Clemente High School. The committee whose sponsor is Mrs. Wilder and Pres. Jami Emily, showed new students around the school, organized meetings, to get to know them and to get them involved in school activities.

Bottom: Becky Wilks, Collette Morse, Jami Emily, Middle; Michelle Paulin, Sarah Slevcoe, Kim Cirdova, Leigh Baker, Donna Papciak. Front; Maggie Ford, Kristen Yost, Lianne Hanson.

Thespian Club

Members: Top; Janice Morain, Cathy Grace. Middle; Connie Martin, Steve Dunham, Bruce Carter, Joan Surrit, Teresa Anderson. Bottom; Bob Burke, Su Smith, Valerie Vitale, Nancy Fleming, Al Rosales (President), Mrs. Sykes (Advisor), Sal Galiano, (Vice President), Kurt Valore, Joe Luvollu, Becky Wilks, Melanie Metz.

The Thespian club is composed of members that have advanced knowledge of drama techniques. They must have at least 120 active hours of drama production, and there are several initiations that have to be passed before you are admitted.

A Capella

There are many talented singers at San Clemente High School, and the choirs this year proved that fact. Their excellent performances mad all the hours of hard work worthwhile. Their concerts were enjoyed by all who attended.

1. The group grew tense during long hours of practice. 2. Mr. Dastrup is filled with pleasure at the compliments of his groups. 3. A Capella Members: Bottom; Sheri Kite, Jam Emely, Julie Pasqua, Denae Cabble, Melani Metz, Joe Lovullo, Joe Piscitelli, Sal Galiano, Al Rosales, David Lusk, Mark Meyer, Cyndi Powers, Janice Morain, Darlene Cald well, Carla Gamm, Cheryl Wagner, Teresa Iverson. CLASSES

What is a senior? The oldest? The biggest? Maybe we possess the most wisdom, or perhaps the senior is just downright cooler. After all, we are practically adults. Younger classmen dream of that glorious final day. These starry-eyed youngsters sit in the front of class, drooling all over their eraser tips. They know that behind them, in the prestigious rear-of-the-room-reigns the divine senior. As the lion rules the forest, so does the grad-cunning, aloof, and oh, so mature. Just think, a senior has been in love; he can even grow a mustache.

Yet, somewhere from up in that cloud, one must step down, (only momentarily, of course) and reflect upon the last four years . . . No denying, we are older — four years older to be exact. Bigger? Well somewhat, but then we were big freshmen. What about wisdom? Well, seniors are quite knowledgeable in all areas of practical survival: skating and sliding, gossiping, partying, studying (?), loving . . . Wordly as the senior may be, he disguises this wisdom well.

What would happen if someone thought that he had actually learned something? Coolness is the senior's second nature. The trick lies in being cool without anybody else noticing. With true coolness comes power. Just think, seniors hold in their grubby little hands the ability to influence the masses. At the rally, if the senior corner runs amuck with spirit and enthusiasm, then all can partake safely in the same manner. Senior Lunch Line allows even the meek to throw his weight around. Where else would a 5′ softspoken gentleman tap a 6′ Junior linebacker on the shoulder and inquire, "Are you a senior?"

But seriously gang, now that our time has come, can we sum up how we feel?

Relieved? Ah yes, a summer not dampered by the gloom of back to school . . . just the sun, our pals, and after that — who knows? Are we sad? Oh sure, probably sadder than we are willing to admit. For words we have spoken, and details we have witnessed matter no more. Maybe we almost fear that which lies ahead.

"Will I be happy?"

How will I be in ten years?"

Will anyone ever want to marry me?"

People will try to tell us seniors about the importance of high school. We just shake our wise little heads and stroll away. Twenty years from today I will once again pass by San Clemente High School. After a long glance over my right shoulder, I will shake my wise little head . . . and smile.

Facing Graduation

Faces of old and faces of new; people we know and people we knew. Growing together then drifting apart, always an ending and now a new start. At graduation we all grow nearer and all our friends seem so much dearer. And as we say our final goodbye, one last embrace and one more cry; a "Keep in touch" and a "Promise I will" a "Remember when" but, better still a place in my heart, you'll always stay, this is what's said as we go our own way.

CLASS OF '79

. . . and tell everyone I miss them.
You know, loneliness is something
That you never think about
Until you're alone

Theres no one to knock into
Purposely then smile and say
"Out of my way, fool" laugh
Give a pat on the back and move on.

No one to discuss the History
Test with or the fight in
The lunchroom fourth period
Or who's going out with whom.

Well, write back soon.
I want *all* the news of
Everything that's happening
. . . And tell everyone I miss them.

Gloria Nappi

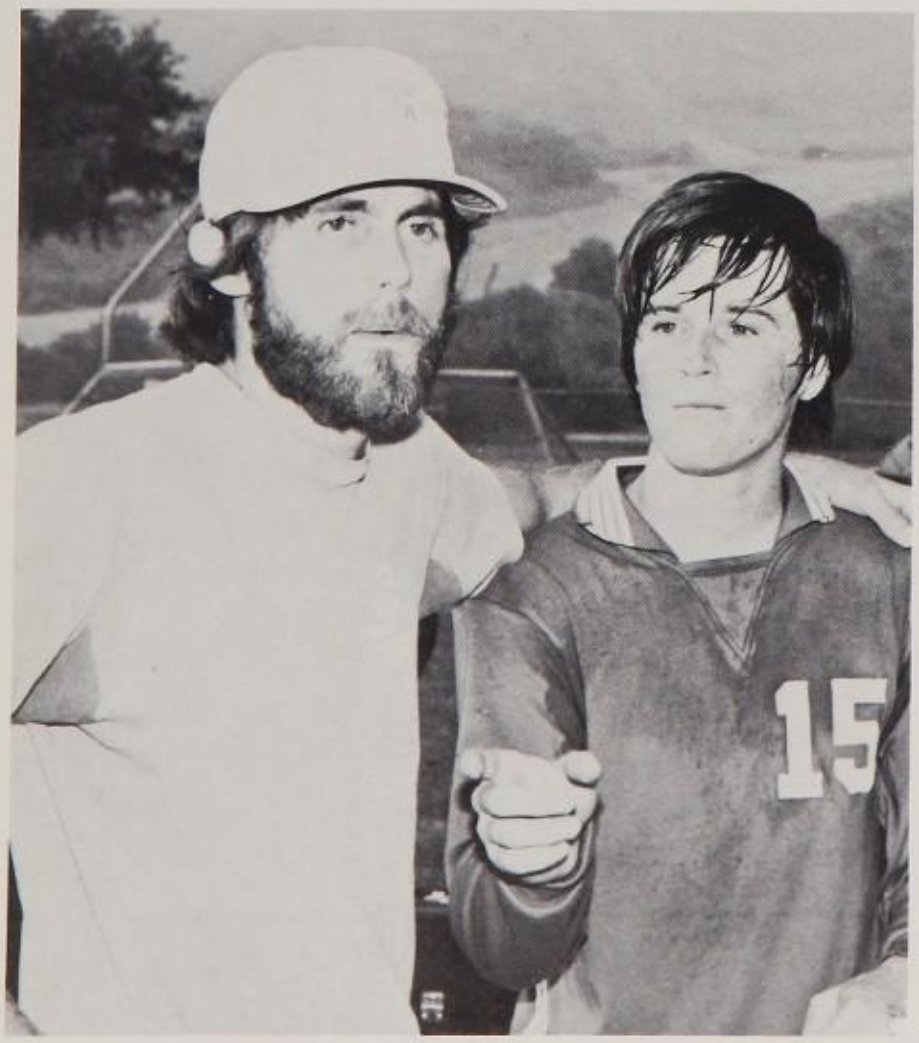
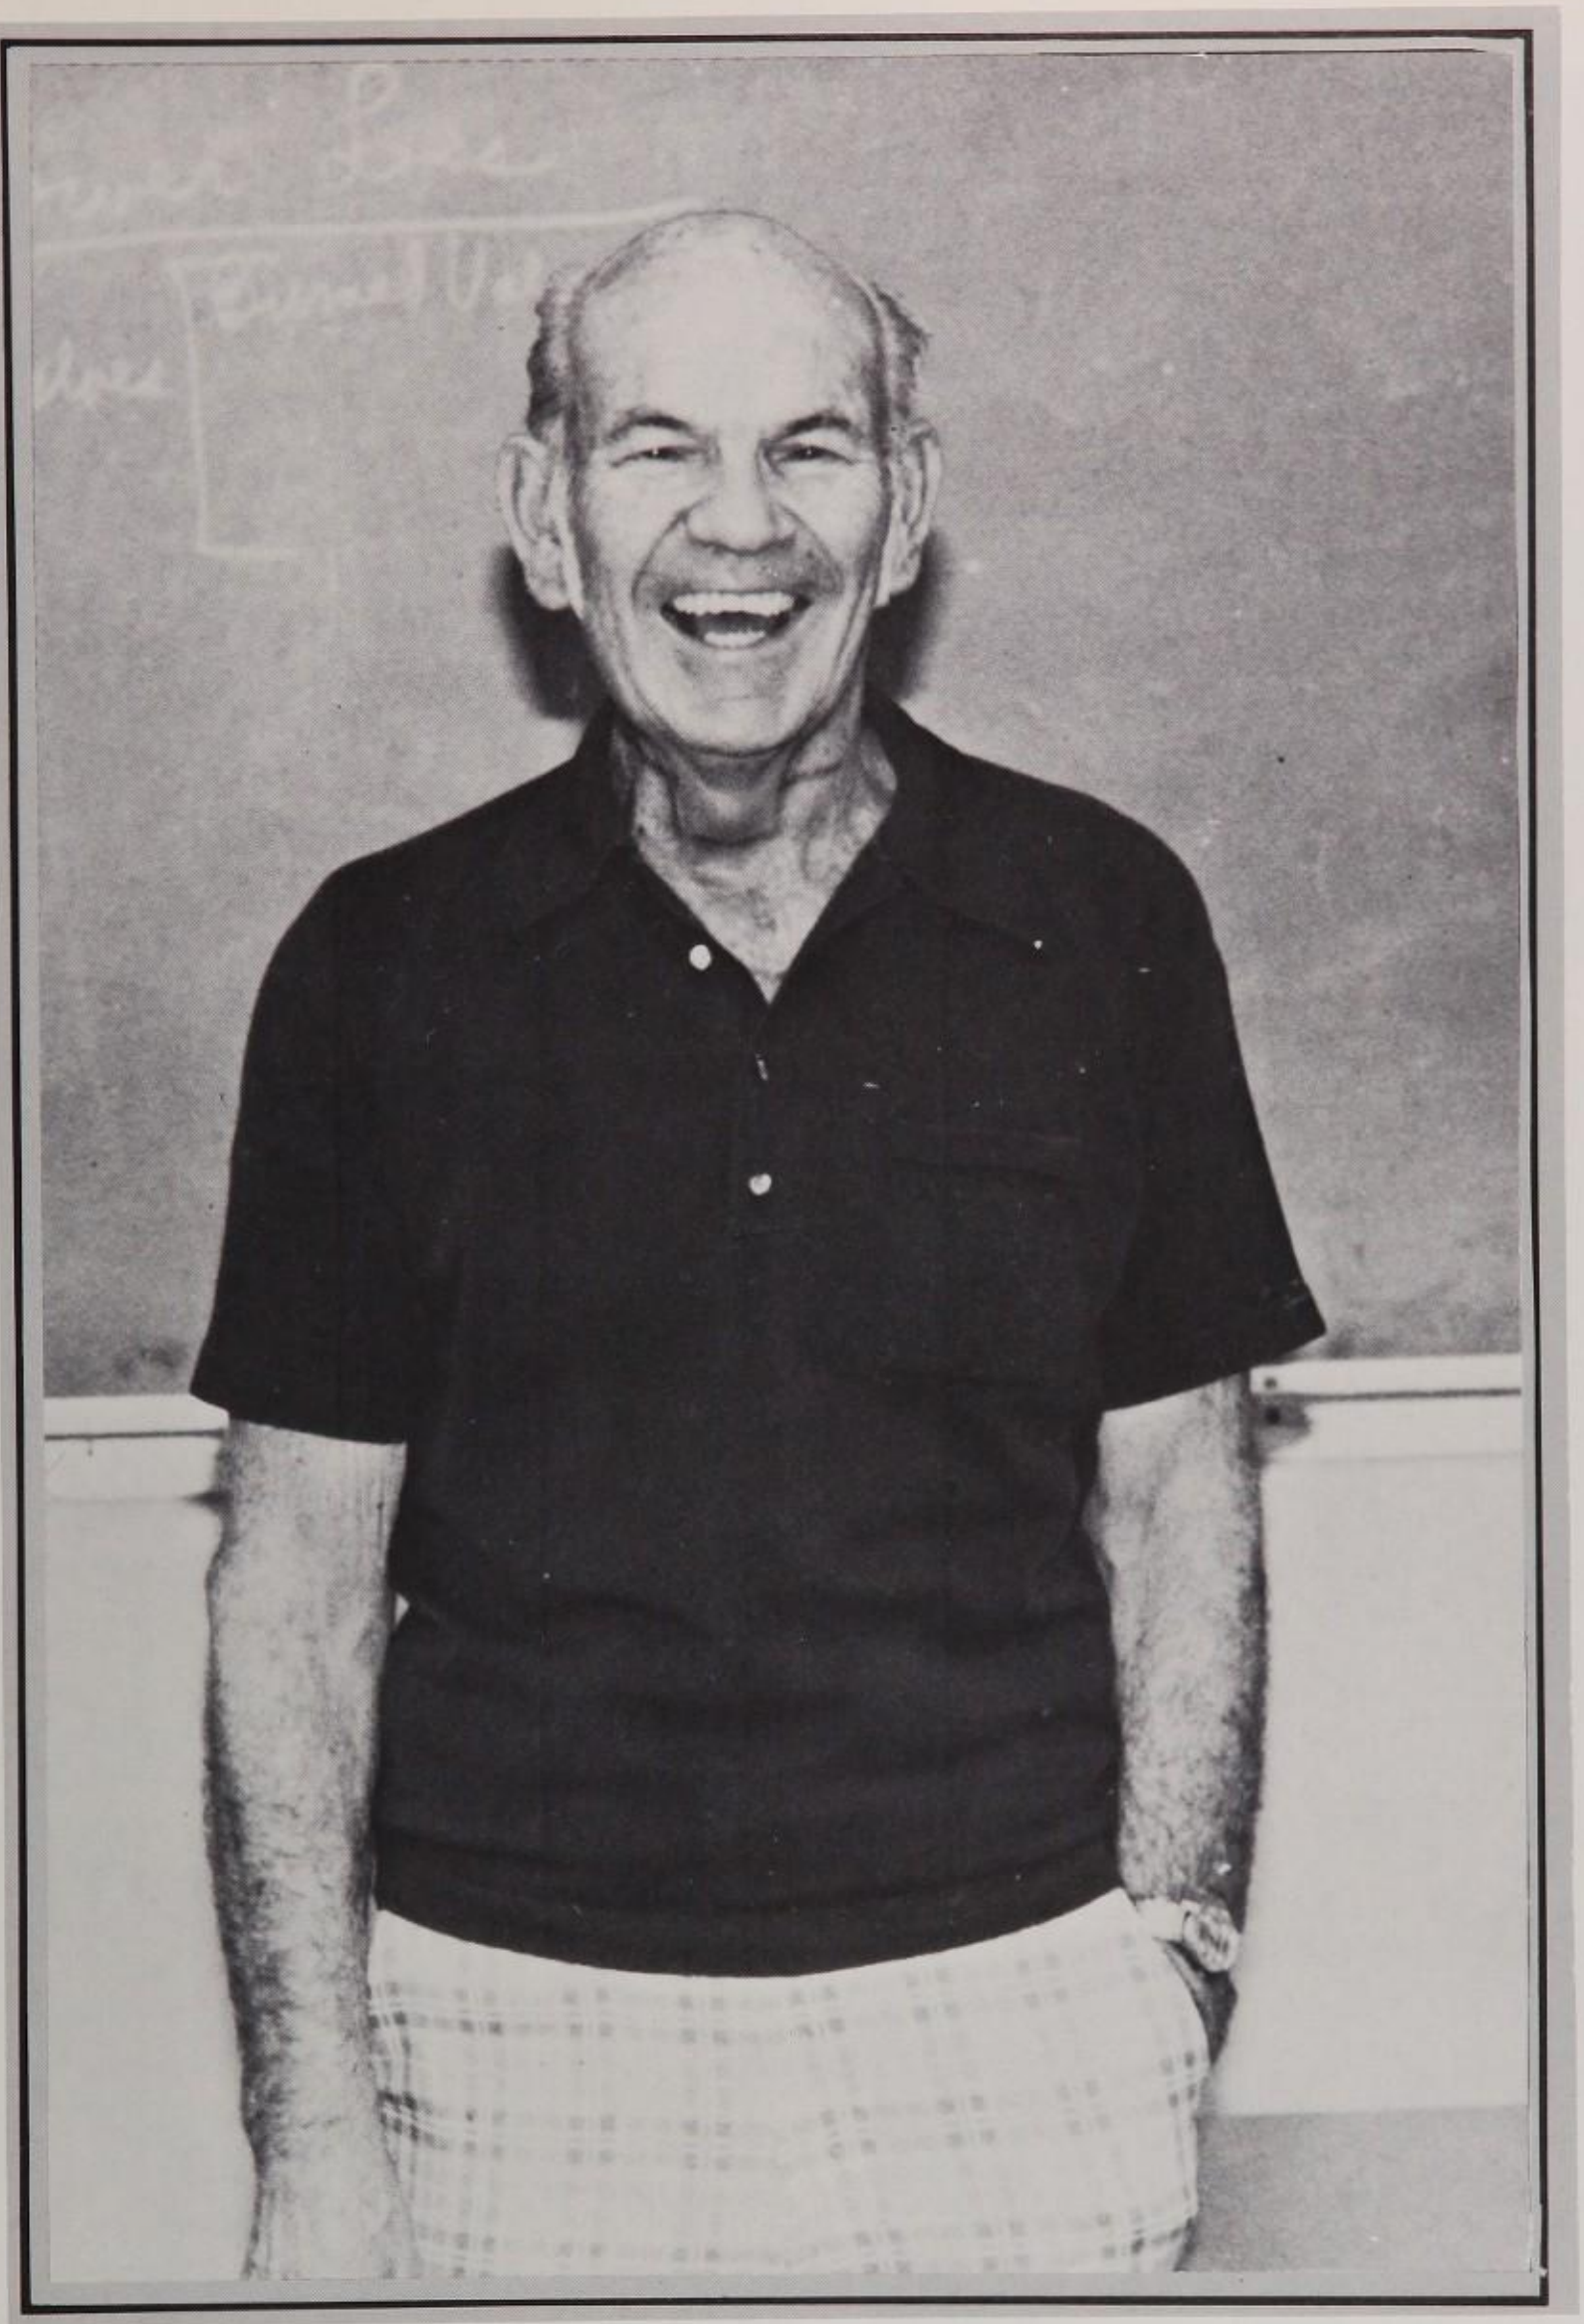
FACULTY AND STAFF

Our faculty is a hard working group. Miss McNeill symbolizes the group's endurance and devotion as she leads the reluctant through the rigors of French and Social Science. The faculty is much smaller this year, and we have appreciated the extra attention we have had since there aren't so many of us, either.

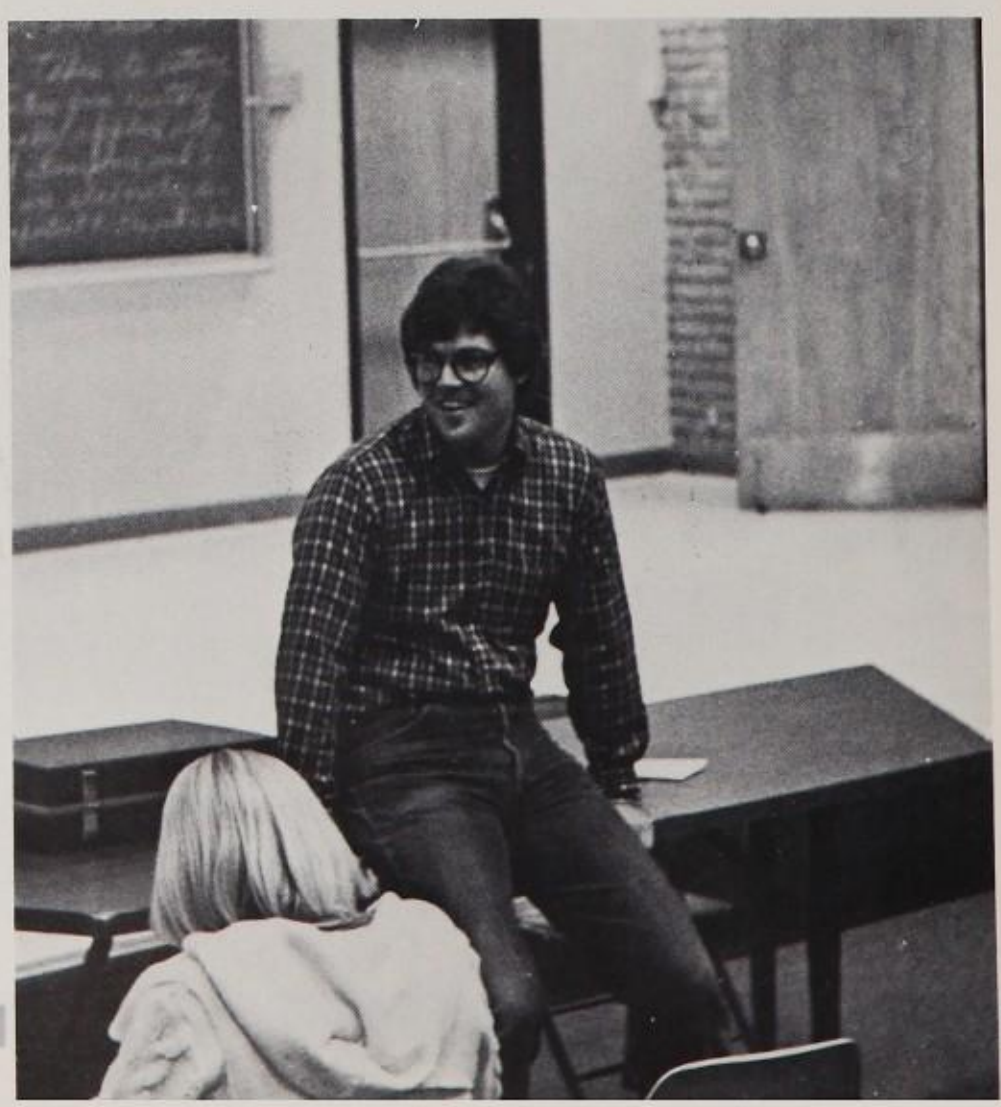
Most members of our faculty double as coaches, go on extra curricular field trips, will give up their lunch time to help us out with the sticky problems of calculus, and advanced composition. They push us, encourage us, plead with us, sometimes yell at us, but mostly they care about us, and we like them, too.



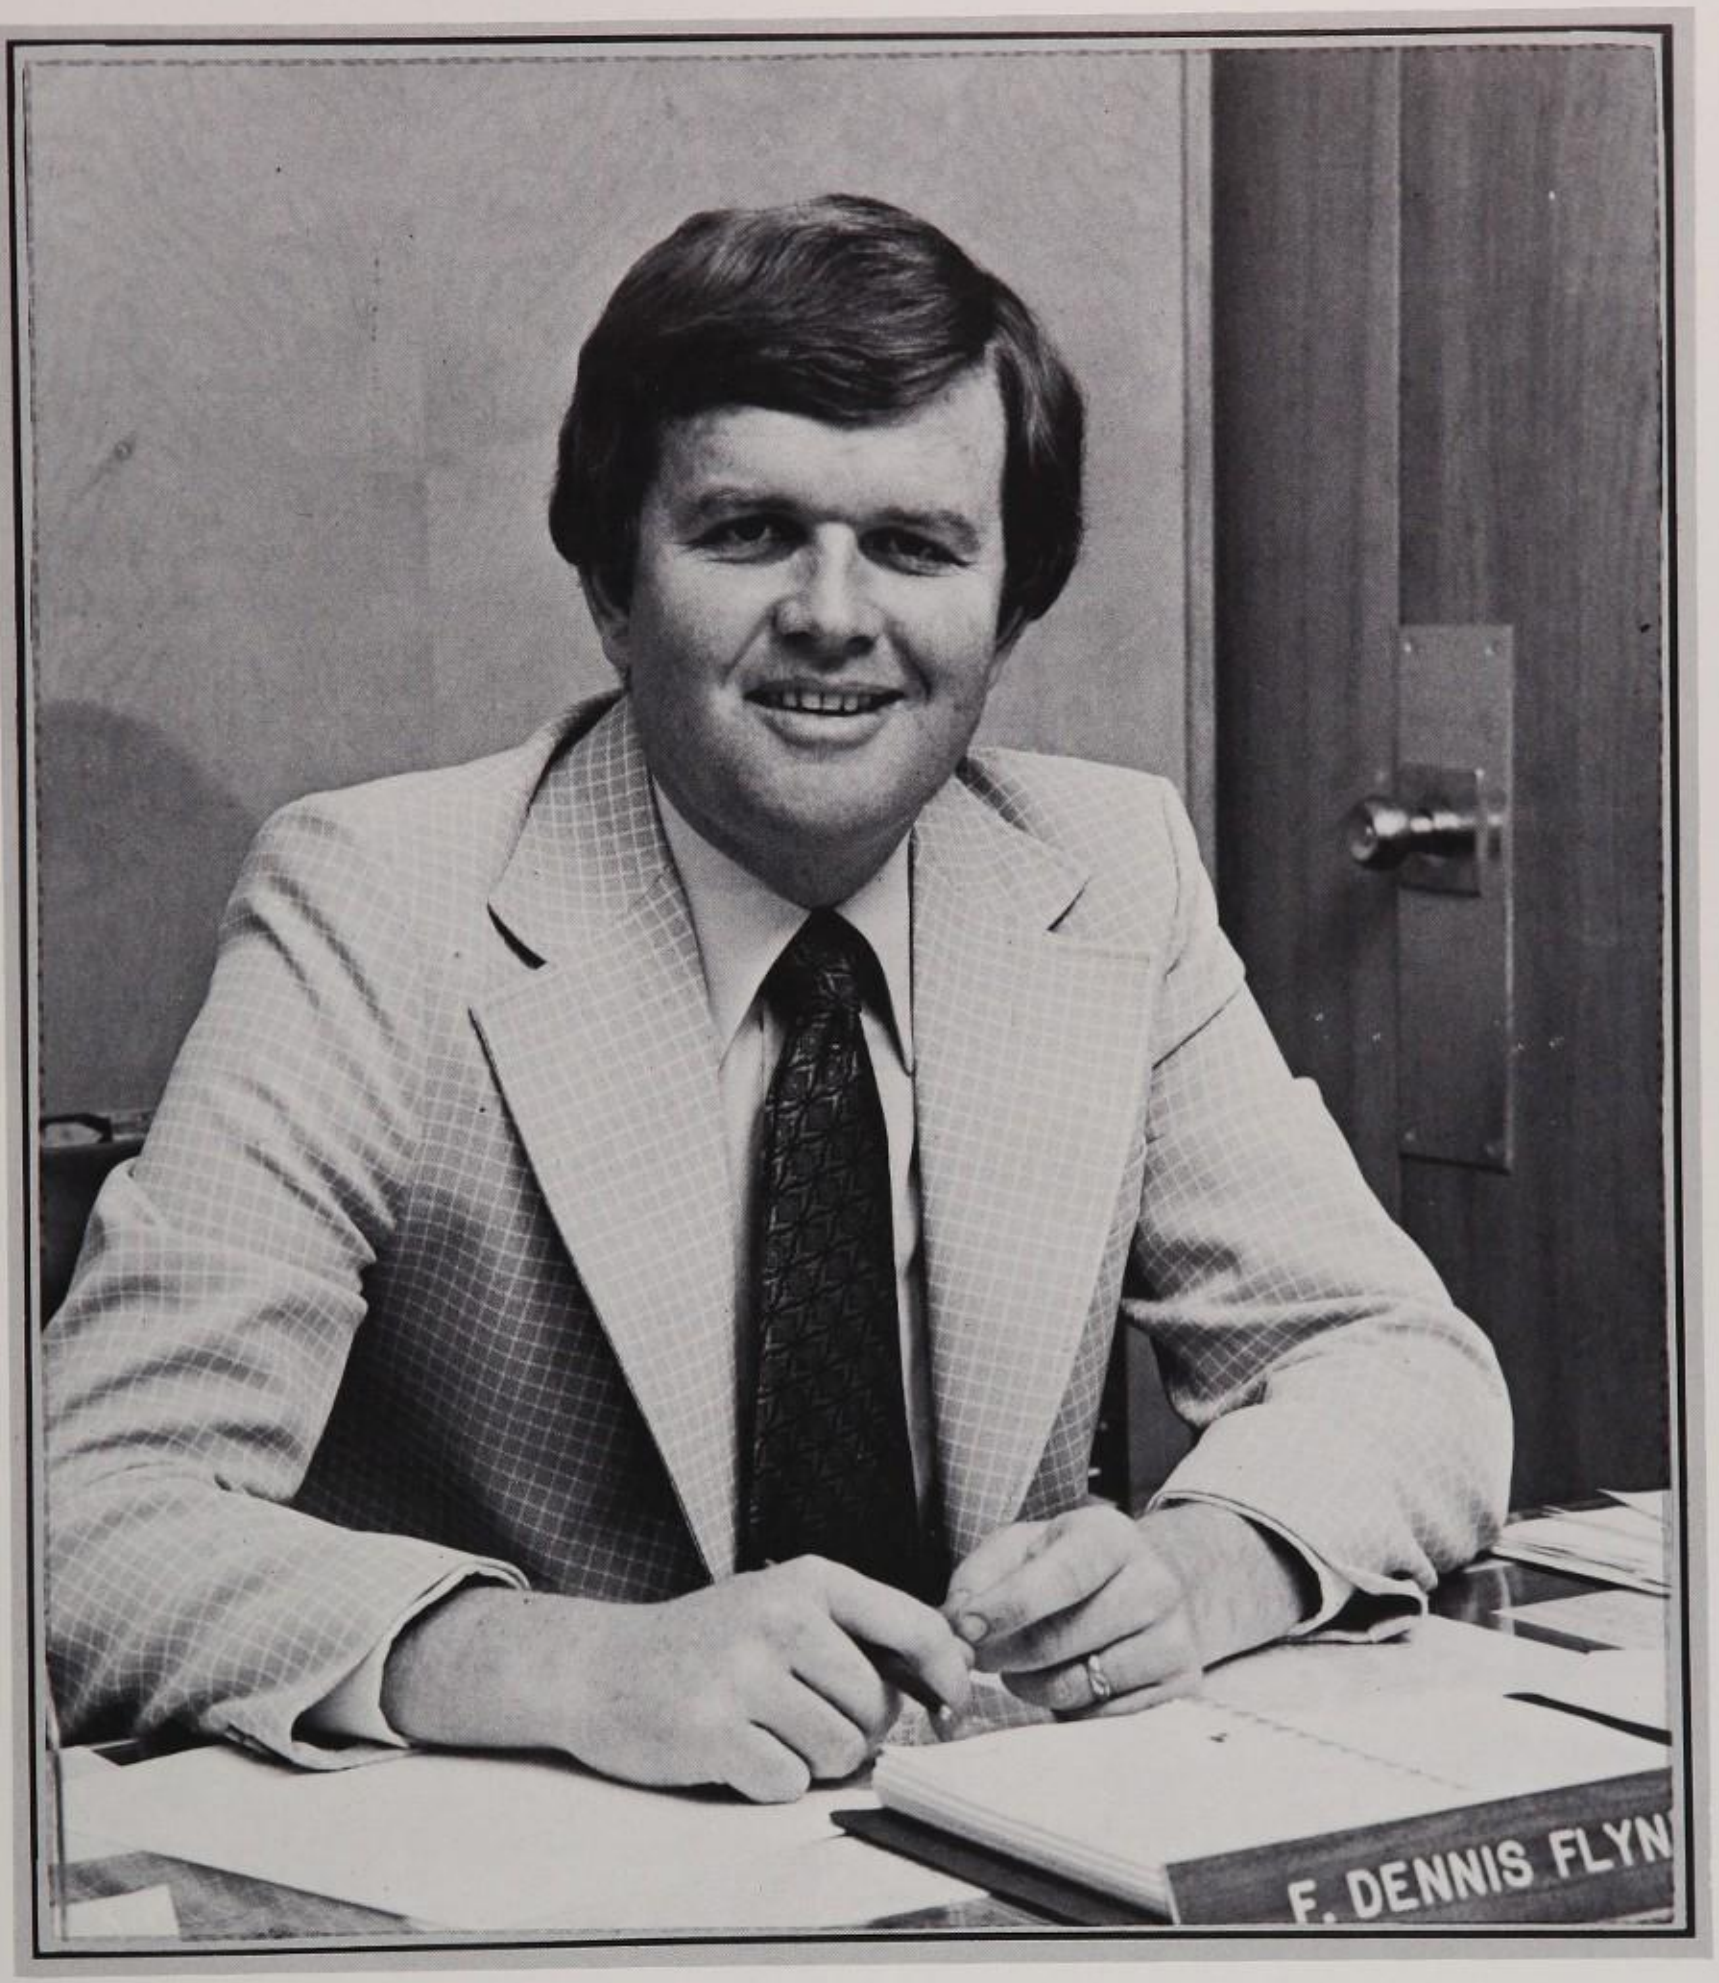


MR. BOB CALHOUN

Teacher of the Year



A MESSAGE FROM THE PRINCIPAL . . .



The 1977-78 School year has been positive and exciting for all of us. We have gained the invaluable experience of sharing with each other. We are now "Moving On" to other opportunities and goals. It is my wish that our graduating seniors continue to strive for excellence as they pursue their goals. Next year will find us pursuing ours as we progress toward even more successful years ahead.

Pauline Knapp, R0P Secretary

Dot Whitaker, English Department Resource Aide

Here are all those nice ladies who answer the phones, take messages, type up letters, run dittoes, keep the coffee hot for the busy administration, and about 2,000 other jobs. We often take them for granted and give them very little thanks or appreciation, but heaven only knows what we would do without them.

COUNSELORS

Whatever would we do without these great people who provide us shoulders to cry on, ways to get out of class, and sound advice about how to get into college? Rumor has it that Mrs. Swan will retire this year. There will be many sad folks who depended on her for those compassionate chats.

Hey, come to think of it, Mrs. Wilder, registration went better this year. Thanks

ENGLISH DEPARTMENT

Here they are, the distributors of comps and commas, assignments and apostrophes, nouns and novels, AP and SAT. There must be some reason why this is the biggest department in the school. There is. We spend more time learning English than we do any other subject. Who will ever forget debating with Mrs. Geis on nearly any topic? the Ibanez — Ruzicska team? the Neidhardt jive? Maitino's field trips? Heylmun's (ahem) lectures? the nature of Doeren's language? Conlon's mustache? Maybe in a lifetime, we will.

Family and Consumer Ed

It's not only good food that comes out of this department. This bunch of talented ladies teach even bumble-fingered football players how to sew up a storm. But, WOW! the smells that come out of those kitchens for those special lunches every month! Some nearby kitchens could take lessons.

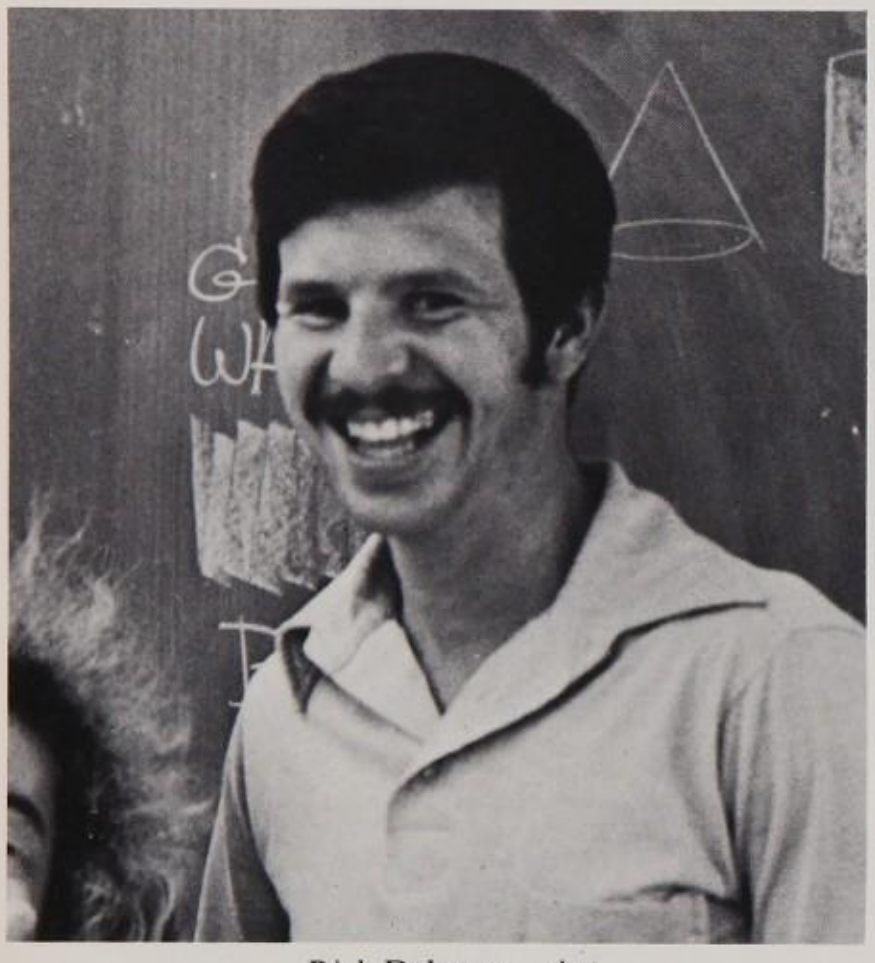
Sue Squire — English, too

Gail Sanders

Terry Eisen

FINE ARTS

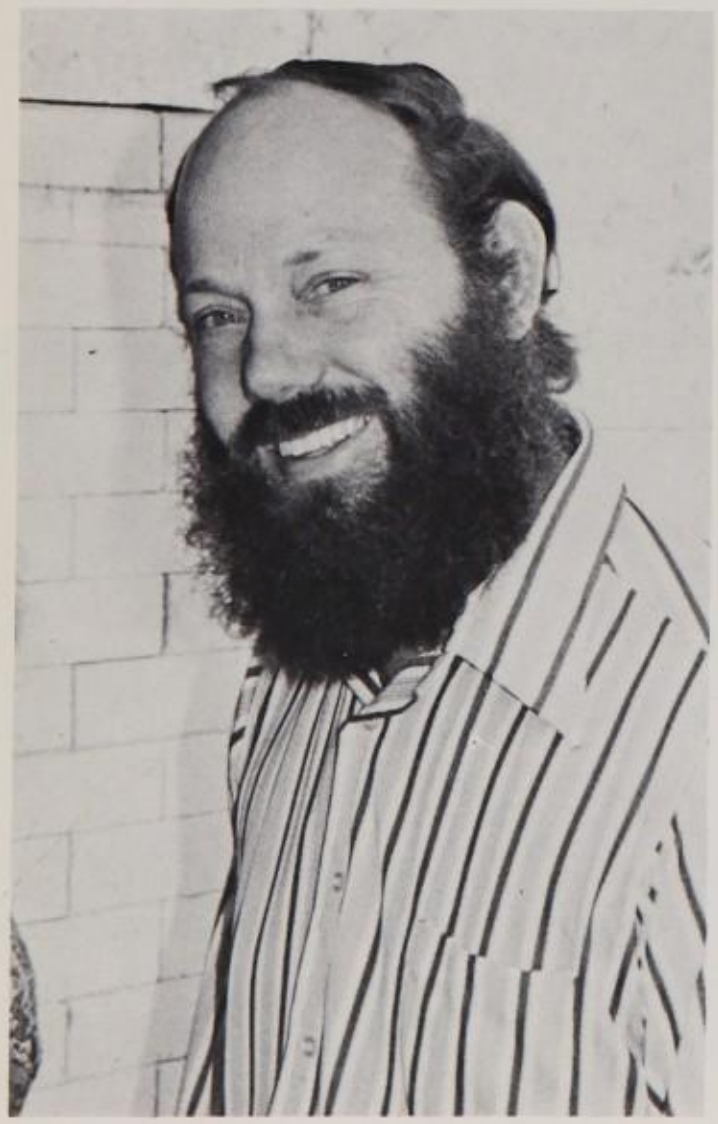
These people have all the fun. Who wouldn't want to be in plays, make pots, draw pictures, and play music? Not that learning to do this isn't a lot of work. SCHS boasts of some of the best musical productions in the county, and that doesn't happen without a tremendous amount of work.



Rick Delanty — Art

Marion Sykes — Drama

Richard Dastrup — Music



Richard Miller — Art

Mrs. Cole — Art

Tom Mendenhall — Music

INDUSTRIAL ARTS

These gys aren't seen too much except right here in the shop, so we tried to make their pictures bigger. Wait until you see O'Grady's desk that Mr. Vargo helped him with. Need a start? See the boys in Mr. Calhoun's class. Or see the Great Man himself. By the way, Mr. Lovemark's office isn't in the industrial arts complex. And what would Halloween be without Mr. McCarroll?

Foreign Languages

This is a very out-going department. When Mr. Imbilli offered to be our centerfold this year, we didn't think he was serious. But you should have seen the pictures he gave us! After three tries and two disappointments, we finally got this splendid picture of Mrs. Sorenson. The first two failures weren't her fault; as you can see, she's very photogentic. Mr. Sanda was another matter. Got him on the first try. Do you suppose Mrs. Leon ever speaks English? Do you suppose Mr. Chipman ever speaks Spanish? We know what Miss McNeil and Miss Turpel are doing here? Aren't they in Social Science? Well, we found them here and took their pictures.

LIBRARY

"For the first time, the library is a place students want to go." So said one of our friends lately. And why is this? Because of the three lovely ladies who run the place, are helpful, and friendly, and who aren't afraid we are going to check out the books.

Barbara Mitchiner, AV Aide, Sharon Schmidt, Librarian,
Iltrud Larson, Library Aide.

NURSE

Here she is with sympathy if not tea. Always a smile and a bandaid, both of which have got to make you feel better. What better way to get out of Heylmun's English class than to go to the nurse?

Dorothy Delaney

SPECIAL ED

If you've ever wondered what the Marine Corps is REALLY like, see Mr. Brat. If anything, his approach to Special Education is unique. But then se is everyone's who works in this department. We wonder what Cariss is doing with that stick? And that look of utter shock on Ms. Hoseman's face. Check out that knowing smile on Mr. Robbins' face. It's all pretty mysterious, but it seems to work.

MATHEMATICS DEPT.

With the advent of the pocket calculator, you would think that this department would have less to do, but such is not the case. It's on to higher and loftier math, some of which isn't even named yet. The sequence seems to go something like: Pre-Feldon, First Year Fox, Remedial Blakely, Geo-Burch-etry, Intermediate Ferg, Fundamentals of Schroeder, Advanced Chesley-Weiss, and finally, the biggy — Ultrasuperadvanced Alston.

PHYSICAL EDUCATION

"Apple"

And now for the department that's in the best shape. Everyone here is the envy of the rest of the teachers. While they are keeping themselves tan and muscular, they are doing the same for us. It seems to work. Can you believe that Mrs. Lund is really 83 years old?

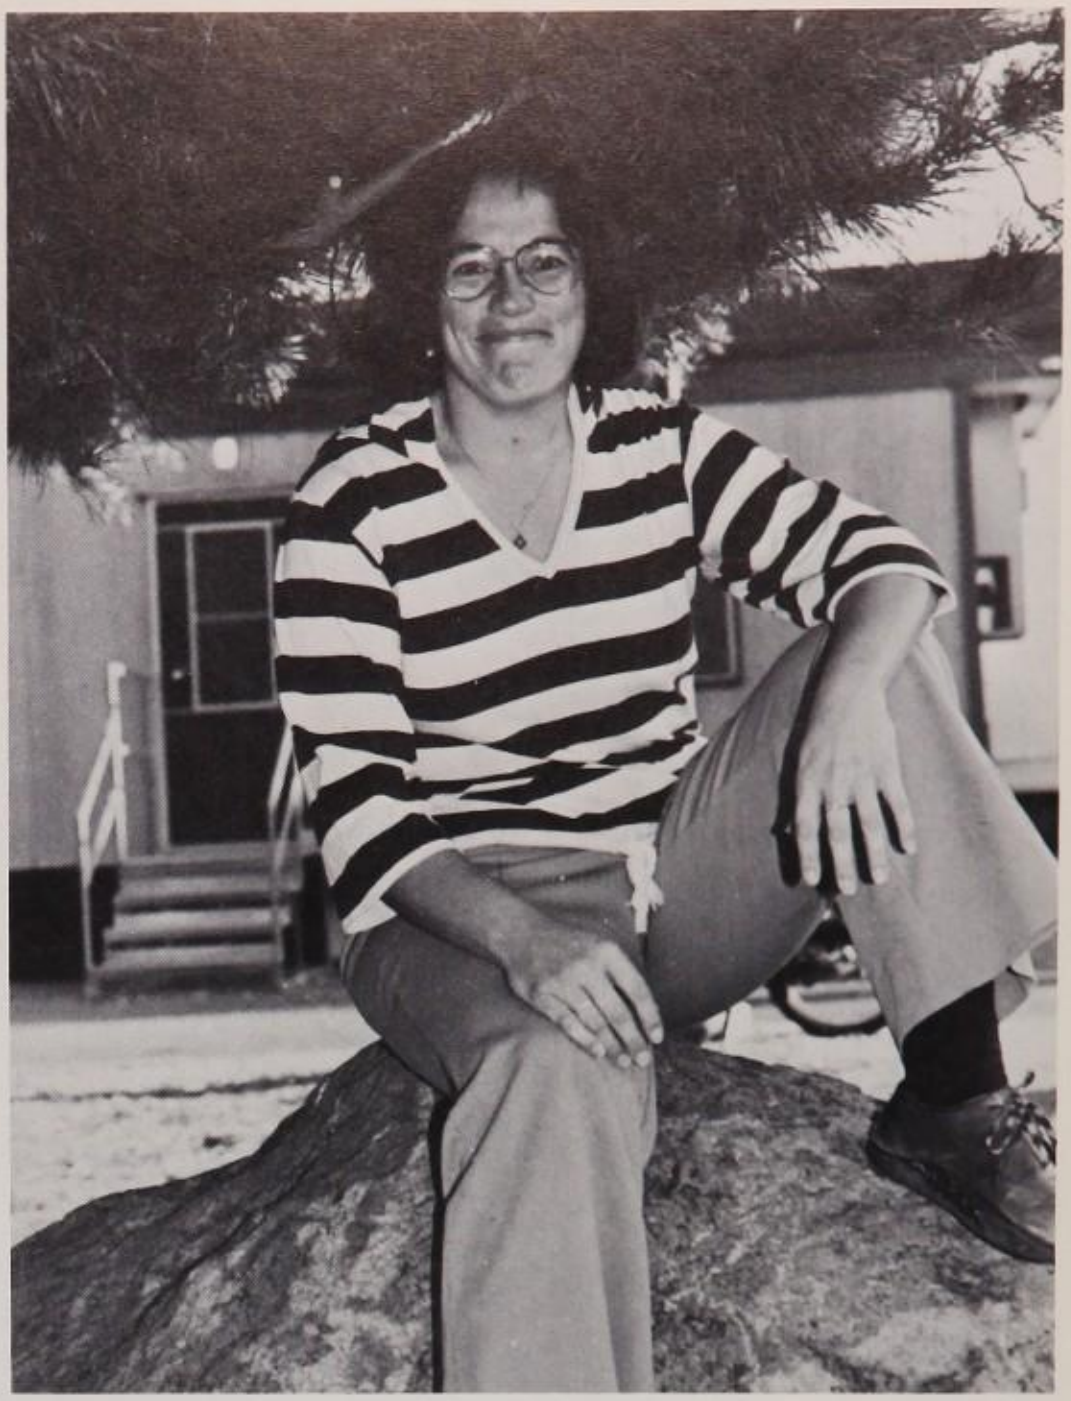
ACTIVITIES

And who plans that athletic schedule? Who sells all those tickets and collects all that money? Who gets those neat forums together? None other than those amazing folks in Activities. Also, as far as it is possible, they keep track of ASB.

Mary Ann Lund, Secretary



Jeri Echeveria, Director

PROCTORS

Nab'em and nail 'em aren't the only activities that the proctors engage in. They also provide shoulders for many of us who need one to cry on. They have shown us how rules can be enforced with fairness and compassion.

Helen Muldrew, Shiela Delanty, Cathy Barker

SCIENCE DEPT

All we really know about this department is that it has the best-attended exhibits on Back-to-School Night, as well as the stinkiest ones, and that Mr. Kaplan grows radishes and turnips. Oh yes, Mr. Babcock collects old newspapers. Whatever else goes on over there is very mysterious — at least no one talks about it very much. A cure for the uncommon cold, Maybe? A new invisible ink for forging readmits with? 6/12/78

To my daughter —
I also am sorry that "it had to happen this way." You will always be my daughter, and I love you. If you should ever need us, the door will be open for YOU. I wish the best that life has to offer.
My prayers are with you, Mother

SOCIAL SCIENCE

How, where, why did it all begin? Find out from your local Social Science teacher. They have the last word on World, American, and California history, and they just love to tell you about it. But they do go out of their way to make it interesting, and that takes some doing for things like the Reconstruction Era.

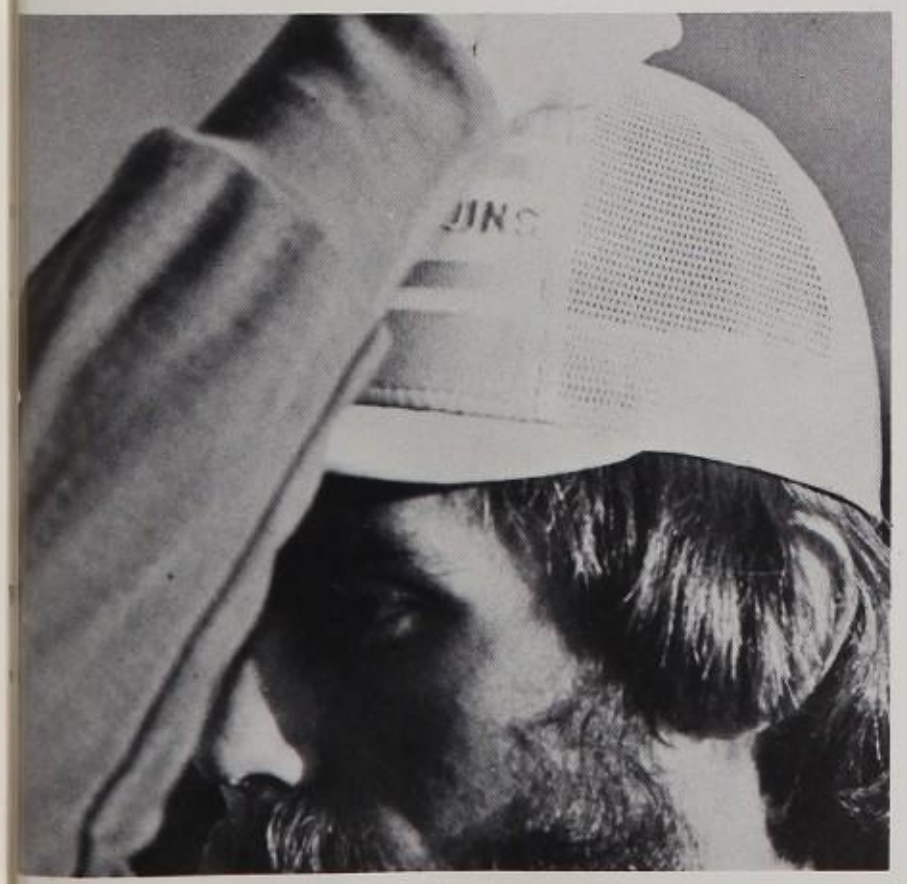
DAVE ANDERSON



As editor of the 1978 Thalassa, I would like to thank everyone involved in the production of this year's book of memories. My special thanks go to the members of the yearbook staff and to advisor Bob Heylmun. I am indebted to them for their creativity, their sense of humor and their long hours of work. All of these things have made working on the yearbook memorable. I am very grateful to Dave Anderson of Creative Images, who spent countless hours in the darkroom, many of them devoted to searching for that special touch every photograph seemed to need. His dedication to quality has real impact in the book. Thank you, too, to the advertisers, whose financial support helps us to keep the budget within reason. Finally, I would like to express my very sincere appreciation to the faculty and student body of SCHS. This book belongs to all of us and the year-long cooperation of us all was basic to making it a representative one. These Thalassa memories are a chronicle of the high school years we have shared. For some of us high school is just beginning and for others it is now ending. But, we are all . . . "moving on . . ."
